

FLORIDA REAL ESTATE COMMISSION
2015-2016 Annual Regulatory Plan

1. Chapter 2015-54 was enacted during the previous 12 months which creates or modifies the duties or authority of the Commission. Specifically, the law amends the following sections of Chapter 475, F.S.: 475.15, 475.17 and 475.183
2. The amendments have the following effect:
 - s. 475.15 requires the Commission to adopt rules that allow a brokerage to register a broker on a temporary, emergency basis if a sole broker of a brokerage dies or is unexpectedly unable to remain a broker.
 - s. 475.17 provides that the pre-licensure and post-licensure education requirements do not apply to a person who has received a 4 year degree or higher in real estate from an accredited institution.
 - s. 475.183 provides that an individual's license may be reinstated if the license has become void because of the individual's illness or economic hardship as defined by rule.

Pursuant to Section 120.74(1)(d), Florida Statutes, I hereby certify that I have reviewed this Annual Regulatory Plan and that the Commission regularly reviews all of its rules to determine if the rules remain consistent with the Commission's rulemaking authority and the laws being implemented, with the most recent review having been completed June 30, 2015.
