All fields of the entry form must be completed. If a field is not applicable to the type of entry, insert "N/A." Each entry form must be typed or neatly printed in ink. Only properly completed entry forms will be accepted and included in the license drawing. A separate entry form must be filed for each county. A completed entry form, including payment (check or money order) may be submitted by mail to: Division of Alcoholic Beverages and Tobacco, Attn: Quota License Drawing, 2601 Blair Stone Road, Tallahassee, Florida 32399-1019.

Limitation on Number of Entries

An entrant, whether individual or business, may submit only one entry form per county. Person(s) directly or indirectly interested in the entity filing an entry form or in the business to be operated upon issuance of the license are subject to the limitation of one entry form per county. An entrant, therefore, may not be an entrant or interested person on more than one entry form in a single county, regardless of the type of entry submitted. Entry forms exceeding this limitation will be denied by the Division. Upon drawing of entrants, the Division will process a license application and issue a quota beverage license only to the person(s) listed on this entry form, provided the person(s) are qualified under the Florida Beverage Law.

Entry Period

Entry forms are accepted each year for a period of 45 days beginning on the third Monday in August. An entry form must be submitted before the deadline published in the Division's notice regarding the entry period, which is posted and available on the Division's website upon publication.

Entry Fee – Non-Refundable

The entry form must be accompanied by the entry fee of \$100 in the form of a check or money order payable to the Division of Alcoholic Beverages and Tobacco. If filing multiple entry forms, all applicable entry fees may be remitted in one lump payment. All entry fees are non-refundable.

Incomplete or Deficient Entry Forms

If the Division determines an entry form is incomplete, a deficiency letter will be mailed to entrant contact address on the entry form. The entrant will have fourteen (14) days from the date of the deficiency letter to make corrections to the drawing entry. If a corrected entry form is not received on or before fourteen (14) days from the date of the deficiency letter, the entry form will be denied.
