MULTISITE TIMESHARE PLAN FILING STATEMENT

This filing statement must accompany each multisite timeshare filing, and must be completed in its entirety. Questions which do not apply must be denoted as "Not Applicable" (N/A).

The Division may request that a schematic-type flow chart which discloses the configuration for the multisite timeshare plan, and which further discloses the relationship between the various entities and component-sites affiliated with the plan, accompany this filing statement.

A filing fee of \$2 per seven days of annual use availability which may be offered as part of the multisite timeshare plan must accompany this statement. If the number of days of annual use availability that may be offered is not evenly divisible by seven, the filing fee shall be prorated by dividing the total number of such days of annual use availability by seven and multiplying the result by the amount of the current fee.

If the proposed offering includes units within a phase timeshare plan, only those filing fees which relate to the phase or phases being filed with this statement need accompany this statement.

A component site timeshare filing statement (BPR Form 512) must be completed for each component site submitted as part of this multisite filing. Each BPR Form 512 included must be numbered as an exhibit to this multisite timeshare filing statement.

The developer understands that:

(a) No closing may take place until:

- (i) Developer receives an approval letter from the Division;
- (ii) The timeshare plan is complete as defined in Section 721.05(6), F.S.;
- (iii) The expiration of the purchaser's ten-day (10) cancellation period.

(b) Pursuant to section 721.056, F.S., it is the duty of the developer to supervise, manage and control all aspects of the offering of the timeshare plan.
