

Division of Florida Condominiums, Timeshares and Mobile Homes
Condominium Certified-Paid Mediators by County

Updated 10/15/2024.

Effective October 1, 1997, amendments to the Condominium and Cooperative Acts require the Division of Florida Condominiums, Timeshares and Mobile Homes to develop a program to certify paid mediators to provide mediation of condominium and cooperative disputes. Pursuant to section 718.501(1)(m), Florida Statutes:

The division shall develop a program to certify both volunteer and paid mediators to provide mediation of condominium disputes. The division shall provide, upon request, a list of such mediators to any association, unit owner, or other participant in arbitration proceedings under s.718.1255 requesting a copy of the list. In order to become initially certified by the division, paid mediators must be certified by the Supreme Court to mediate court cases in either county or circuit courts. Any person initially certified as a paid mediator by the division must, in order to continue to be certified, comply with the factors or requirements imposed by rules adopted by the division.

The current list of qualified mediators is provided below. Please be aware that the scheduling of mediators and payment arrangements are to be handled entirely by the disputing parties and the mediator.
