

# BALLOT

## **DID YOU KNOW? Candidate Information Sheet**

- That the candidate information sheet may only be one side of one sheet and included on a sheet no larger than 8 ½ inches by 11 inches?
- That, in order to reduce costs, an association may print or duplicate the information sheets on both sides of paper?
- That a unit owner may not authorize any other person to vote on their behalf?
- That an election is not required unless there are more candidates than the number of vacancies that exist?
- That, even though there is no quorum requirement, at least 20% of eligible voters must cast a ballot in order to have a valid election?
- That elections shall be decided by a plurality of the ballots cast?
