

BALLOT

DID YOU KNOW? Election Ballots

- That write-in candidates are not permitted to be included on an election ballot?
- That random markings on a ballot by an eligible voter will not cause the ballot to be disregarded?
- That the association may require that only official ballots provided by the association may be utilized for purposes of voting in the election?
- That a unit owner's failure to print their name on the outer envelope, so long as there is a signature on the outer envelope, will not cause the ballot to be disregarded?
- That a candidate must withdraw from an election in writing?
