Pursuant to Chapter 326, F.S., all Florida Yacht & Ship Broker's/Salesperson's licenses must reflect the correct name, correct company affiliation, and correct company address, at all times during the two-year licensure period. Any changes made after issuance of the original license shall be filed with DBPR (Yacht & Ship Broker's Program), along with the required \$100 change fee. Upon receipt of the change notification and fee by DBPR, a new license will be issued and mailed to the licensee. **NOTE: Changes include licensee or company name changes, address changes, suspension of a license due to surety bond termination, or cancellation of a license due to affiliation changes.**
