II. Major Issues/Actions

- The board reviewed Ms. Clark's letter which indicated they do not need to register as lobbyists. She was asked if the sunshine law pertains to members meeting together to discuss board business as lobbyists. Ms. Clark reminded the board they were bound by the sunshine provision when they meet and discuss board business regardless of the purpose.
- The board reviewed the revised December 31, 2003 and 2002 financial report. Ms. Chastain advised the board that unlicensed activity fines collected were currently being deposited in the unlicensed activity account.
- The board discussed the Smith, Thompson, Shaw and Manausa Contract appropriation and was informed the appropriation has not been increased for this fiscal year. Mr. Minacci informed the board there was a sponsor in the Senate to increase the appropriation next fiscal year to \$525,000. They are currently working to get a House sponsor. Mr. Rodriguez asked that board members take an active part in trying to get the appropriation.
- The board discussed HB 851 and SB 2026 and were concerned the bills contained language that would prohibit funds from being deposited into the unlicensed activity account. The board voted that they would individually write the bill sponsors. They also voted that the Chair would send a letter to the sponsors stating the board was not in favor of the language.
- Application ratification list approved.
