### II. Major Issues/Actions

- The Chair excused the absences of Ms. Membiela, Ms. Del Bianco and Mr. Horstmyer.
- The board reviewed the continuing education handbooks for architecture and interior design. The board accepted the wording change suggested by Ms. Chastain from "failure to report required hours" to "failure to fulfill required hours". A final copy of the handbooks will be presented at the February 6, 2007 meeting for final review.

### III. Legislation/Rule Promulgation

- The board discussed rule 61G1-11.013(2), FAC, which defines an "intern architect", as "a term used in rule 61G1-13.0021, FAC" which refers to an individual who has completed all requirements of the first three academic years in a professional program in architecture approved by the board and has an approved application for licensure as an architect by examination on file with the board office. Rule 61G1-13.0021, FAC, has been amended and the term removed. Mr. Minacci informed the board that in his opinion the term is misleading and should not be used as the statute prohibits the use of the term "architect" unless licensed. The board asked Ms. Clark to notice rule 61G1-11.013(2), FAC, for repeal.
