II. Major Issues/Actions

- The board held elections due to the fact that Ms. Grigsby's appointment was rescinded. Mr. Hall was elected chair and Ms. Del Bianco was elected vice-chair.
- The board approved the continuing education handbooks for architecture and interior design. Ms. Clark will notice for rule adoption.
- The board discussed the National Council of Architectural Boards (NCARB) resolutions 07-01 through 07-12 that will be acted upon at the annual conference in Denver. The board voted to oppose 07-08 which would require that an examination applicant not be allowed to take the Building Design and Construction Systems division and the Construction Documents and Services division until they complete their intern development program (IDP). This resolution is in conflict with Florida's examination requirements. The Florida American Institute of Architects voiced their opposition to the resolution as well. The board was supportive of all other resolutions.
- The board approved the licensure ratification list containing 107 names.
- The board discussed requesting that the department sponsor legislation next year to require mandatory construction contract administration. Ms. Long and Mr. Jacobs expressed their concern that the language would have the same opposition from the building industry that it had in 2006. The board voted to wait until Florida AIA thought it was a better time to pursue legislation.

III. Legislation/Rule Promulgation

- Ms. Clark to notice Rule 61G1-21.003, Continuing Education – approval of subjects and providers, FAC, Rule 61G1-21.004, Continuing Education Program of Learning approval, Rule 61G1-24.002, Continuing Education Approval of Subject and Providers, FAC.

IV. Action Required

- Ms. Clark to notice rules for adoption.
