Major Issues/Actions

- The board reviewed two applications for licensure; after review of the application information, one application was approved and one was denied.
- The board received two requests from licensees to extend their deadline to complete their continuing education. The board granted a 90 day extension to each of the licensees presenting the request.
- There was discussion regarding the board's operating account and the process of how the budget is presented to the Legislature. The board made requests for information relative to the budget process to be presented and discussed at the next board meeting scheduled for May 2-3, 2011.
