### Major Issues/Actions

- The board reviewed and approved one interior design application for reinstatement from a null and void status because of a personal illness that prevented her from renewing timely.
- The board reviewed and denied a request for an endorsement application for an architect license based upon the review from the board consultant.
- The board reviewed a request from NCIDQ to add Mississippi to the Council membership and to remove Georgia and Illinois from the Council membership. Upon review of the request the board approved both items.
- Jon Glogau briefed the board on the settlement agreement in the Locke v. Shore case and informed the board the agreement was reasonable and the settlement should be paid as soon as possible.
