Application Review

Alexis Batista – Interior Design

Mr. Batista was present and provided a statement regarding his credentials. Mr. Batista applied for licensure per Section 481.213(2), Florida Statutes, Licensure. Mr. Batista does not meet the education requirements set forth in Section 481.209(2), Florida Statutes, Examination or Rule 61G1-22.003, Florida Administrative Code, Education Requirements for Interior Designers.

Mr. Butler, the board's consultant, recommended denying the application because Mr. Batista's Bachelor's degree is in architecture, the architecture course descriptions do not meet the board's educational standards, and his Associates' degree is not acceptable for interior design studies. The board has no authority to approve Mr. Batista's application as presented. After review and discussion the board allowed Mr. Batista to withdraw his application for licensure.
