- Ms. Barineau reported that the balance in the board's operation and unlicensed activity accounts as of September 30, 2012, was over \$1.8 million and over \$288k, respectively.
- Ms. Barineau asked the board if they would consider amending their display of documents rule to consider eliminating the requirement that the latest inspection sheet be posted in a conspicuous place in the barbershop to possibly allow for all inspection sheets to be posted on the Internet.
