REVIEW OF MINUTES

A. Meeting Minutes – June 2010

The board voted unanimously to approve these minutes.

EXECUTIVE DIRECTOR'S REPORT – G.W. HARRELL

Mr. Harrell stated that the reunion meet and greet went great; the previous Board members enjoyed meeting the current Board members. Mr. Harrell introduced the department representatives that were in attendance and allowed them to give their presentations.

Gus Ashoo, Bureau Chief of Education & Testing, began his presentation by introducing two of his staff, Andy Janecek and Alex Bosque. Mr. Ashoo then requested that the Board entertain revising Rule 61G4.16.009, F.A.C., to change the number of attempts that can be made to pass an examination within a given timeframe. The Board advised Mr. Ashoo that they would set the discussion for the September 2010 meeting. Mr. Ashoo also stated that he felt it would be beneficial for the Board to consider changing the format of the written examinations to prepare them for computer based testing, if that is the Board's pleasure in the future. The content would not need to be changed, only the format.

Jerry Wilson, Director of Regulation, introduced several investigators from the Orlando district office that were present at the meeting. Mr. Wilson provided the Board members with a handout outlining statistical information regarding the activities of Regulation. He discussed the regulatory activities that takes place in different counties throughout Florida.

George Ayrish, Bureau Chief of Central Intake & Licensure presented an overview of the Central Intake & Licensure set-up including guidelines that are utilized by staff when processing construction applications. Mr. Ayrish requested guidance from the Board on how to make the application review process better for the applicants as well as the department staff. He stated that construction applications were set to go to VERSA online, which allows for a completely paperless process and this is the best time to make improvements to both the applications and the process.

Tim Vaccaro, Director of Professions, thanked the Board members for all of their hard work and their commitment to the citizens of the State of Florida.

The Board thanked each department representative for attending the meeting and giving presentations. Mr. Harrell asked each Board member to review the experience requirements provided by Mr. Ayrish and be prepared to give feedback at the September meeting.

The Board voted unanimously to approve this report.

CHAIRMAN'S REPORT – WILLIAM SHEEHAN

Mr. Sheehan stated that the reunion meet and greet went very well. He asked that the Board members review the experience guidelines so they can provide valuable feedback during the September Ad Hoc meeting.

The Board voted unanimously to approve this report.

PROSECUTING ATTORNEY'S REPORT – JEFF KELLY

Mr. Kelly gave the following report:

There were 316 cases to be reviewed in Legal, 167 cases set for probable cause and 56 cases with probable cause found/administrative complaints filed. 25 cases were ready for default, 21 cases had stipulations executed/informal hearings requested, and 50 cases requested formal hearings. There were 20 cases referred to DOAH, 48 cases in settlement negotiations, 319 cases awaiting final orders and 336 cases set for board presentation. There were 0 cases under appeal and 2 cases re-opened.

As of August 2010 the number of overall construction disciplinary cases is 1,395. This is an decrease from 1,434 which was the overall caseload as reported in July 2010, and approximately 436 less cases than reported in August of 2009.

The Board voted unanimously to approve this report.

ATTORNEY GENERAL'S REPORT – DANIEL BIGGINS

CHRISTOPHER BECK – REQUEST FOR INFORMAL HEARING

Mr. Beck was present.

Mr. Biggins presented this case stating that the application of Christopher Beck for initial certified general contractor licensure was denied at the April 2010 meeting of the Board. Mr. Beck received a Notice of Intent to Deny in June of 2010. Mr. Beck timely requested Board reconsideration.

After discussion the Board voted unanimously to uphold the denial of Mr. Beck's application.

DEMAY INC – PETITION FOR DECLARATORY STATEMENT

Michael R. McCullough, Esquire, legal counsel of record, was present.

Mr. Biggins presented this case stating that Demay Inc filed a petition for declaratory statement on June 30, 2010. The petition was noticed in the Florida Administrative Weekly on July 30, 2010. He noted that the petition requests guidance regarding the authorization of a certified underground utility contractor to install combination lines to the "point of service" which is defined as the downstream side of the back-flow

assembly. Mr. Biggins asked the Board to consider whether the petition meets the criteria for a declaratory statement, and to dismiss or answer, as appropriate.

The Board voted unanimously to accept the petition, and answered in the affirmative, advising that the point of service, where piping is used exclusively for the fire protection system, is the downstream side of the back-flow assembly, and a certified underground utility contractor is able to install combination lines to this point of service.

RONALD DEMING – REQUEST FOR INFORMAL HEARING

Ms. Watts was present.

Mr. Biggins presented this case stating that Jacqueline Watts filed a petition for declaratory statement on July 1, 2010. The petition was noticed in the Florida

Administrative Weekly on July 30, 2010. He noted that the petition requests guidance regarding the authorization of a licensed plumbing, air conditioning A & B, and mechanical contractors to disconnect, reconnect, and repair LP appliances. Mr. Biggins asked the Board to consider whether the petition meets the criteria for a declaratory statement, and to dismiss or answer, as appropriate.

The Board voted unanimously to accept the petition, and answered in the affirmative, advising that service of LP appliances, including disconnect, reconnect, and repair are within the scope of practice of certified plumbing, air conditioning A & B, and mechanical contractors.

JOHN JENKINS – REQUEST FOR INFORMAL HEARING

Mr. Jenkins was not present; John Cling was present.

After discussion the Board voted unanimously to continue the review of the application for 30 days.

JAMES JOHNSON – REQUEST FOR INFORMAL HEARING

Mr. Johnson was present with Rhonda Koning.

Mr. Biggins presented this case stating the application of James Johnson for initial certified general contractor licensure was denied at the May 2010 meeting of the Board. Mr. Johnson received a Notice of Intent to Deny in June of 2010. Mr. Johnson timely requested Board reconsideration.
