Removal of Board materials from laptops.

### **NEW BUSINESS**

Mr. McCullers spoke to staff regarding putting meetings in south Florida in 2027. The board discussed budget for monthly meetings, and Ms. Ackermann confirmed she will research who is in charge of determining those rates within the legislature. Mr. Famada asked about the possibility of new board appointments and Ms. Ackermann confirmed that the 2026 Florida Legislative session ends today and there could be new appointments in the near future. She informed the board that the departmental bill did not go through this year, so the issue related to quorum remains.

With no further business, the meeting was adjourned at 9:01am
