NEW BUSINESS:

Mr. Cathey updated the board on Port Saint Joe, FL and Mexico Beach, FL. He stated all of the help has been amazing. Regulations have been on top of unlicensed activity in the area and they couldn't be more thankful.

He also brought to the attention of the Board that he would like the licensing board's support as individual contractors to support apprenticeship programs in High School, Vocational Schools and the DOC to allow these individuals a way to learn the construction trade.

With no further business the meeting was adjourned at 10:08am.
