The petition was noticed in the Florida Administrative Register on April 1, 2016. Mr. Dolan noted the petition seeks the Board's clarification as to which, if any, license would be required for their company to do work within the State of Florida, as addressed in DS 2016-024.

After discussion, the Board voted to decline to answer the declaratory statement, because the petitioner is not a substantially affected party and does not have standing to request a declaratory statement.

Mr. Dolan presented this case stating Mr. Laney filed a petition for a declaratory statement on March 17, 2016. The petition was noticed in the Florida Administrative Register on March 24, 2016. Mr. Dolan noted the petition seeks the Board's clarification as to whether an Underground Utility Contractor is qualified to install sewer services to a Modular home.

After discussion, the Board voted to decline to answer, as the petition relates to an ongoing controversy, that the question is already answered in statute, and that the Petition is attempting to determine conduct of another.

STEVEN BARWICK RIVERS – REQUEST FOR INFORMAL HEARING

Mr. Rivers was present.

The Notice of Intent to Deny was filed in April of 2016. Mr. Rivers timely requested board reconsideration.

After discussion, the Board voted to vacate the previous denial and approve the application.

MIGUEL TOLMO – REQUEST FOR INFORMAL HEARING

The Notice of Intent to Deny was filed in April of 2016. Mr. Tolmo timely requested board reconsideration.

After discussion, the Board voted to vacate the previous denial and approve the application.

RYAN ZURHEIDE – PETITION FOR VARIANCE & WAIVER

Mr. Zurheide was not present.

Mr. Dolan presented this case stating that Mr. Zurheide filed a petition for Variance or Waiver on March 23, 2016. The petition was noticed in the Florida Administrative Register on March 24, 2016. Mr. Dolan noted the petitioner asks the Board for a variance from or a waiver of four year duration of validity of examination scores.
