The Department is updating their website, and the Construction Board will be the first to get updated.

Last month the call center received 12,000 construction related calls, due to a little lag time it’s taking approximately 20 days to process applications.

There will be new Federal Overtime Laws that will affect Board staff, so please work with us as we may have to make some changes to the agendas.

Hotel reservations and no shows are becoming a big issue. If you are not going to make it to a meeting, it is your responsibility to call and cancel that reservation.

Mr. Biggins recognized Board member, Jackie Watts, this is Jackie’s last meeting with the CILB and provided her with a plaque for her time of service on the Board.

The 2017 Meeting Schedule has been distributed in your agenda materials.

Mr. Biggins also announced that the joint CILB/ECLB meeting will be held on October 28, 2016 in Daytona Beach, FL.

With nothing further to report the board voted unanimously to approve this report.
