Renewal/change of status information for current licensees

There is a \$5 unlicensed activity fee waiver and a 50% fee reduction in effect this renewal

Every day we work to improve the way we do business in order to serve you better. **A copy of your license will be sent to the email address associated with your online account once you renew your license.** This process significantly reduces the amount of time it would have otherwise taken for you to receive your license in the mail. The Department will no longer print and mail initial, renewed or duplicate licenses.

If you wish to print your license at any time in the future, you may do so using your secure online account with the Department. Please log into www.MyFloridaLicense.com to access your account and follow the step-by-step instructions on how to print your license. Additionally, after you have created an online account and linked your license, you may view a copy of your professional license on your mobile device using the DBPR mobile application. You may download the DBPR mobile application from the Apple App Store or Google Play. Once you have installed the application, select "My License" and enter the same login and password information that you used to create your online account to view a copy of your professional license.

Important Information:

- State law requires you to maintain a mailing address (address of record) with the Department of Business and Professional Regulation. All official correspondence from the Department will be sent to this address of record including important board information, service of process, etc. It is also recommended that you keep your telephone and e-mail address current with the Department. The Department will use the e-mail address for official communication with license holders.
- Effective October 1, 2009, Section 455.227(1)(t), Florida Statutes, requires all professional licensees to self-report to the department, within 30 days of being convicted, or found guilty of, or having plead nolo contendere (no contest) or guilty to a crime in any jurisdiction. A licensee who fails to report this information may be subject to disciplinary action, including fines, suspension or license revocation. To report, complete the criminal self-reporting document and mail it to the department at the address provided on the form. To obtain a copy of the form, go to www.myfloridalicense.com.
- If you have a compliance order with a past due payment, your license will not be renewed until it has been made current.

License Lamination Requirement:

Rule 61G5-20.004, Florida Administrative Code, requires all holders of a cosmetology or specialty salon license to permanently laminate their license, including a 2" X 2" photograph taken within the previous two years, for posting at their work station. You may refer to the rule text for complete details for license lamination. Placing a license in a glass picture frame does not meet the lamination requirement.
