Major Issues/Actions:

- The board approved applications for four controlling persons, one employee leasing company and one De Mininis company. The board also approved four applications for changes of ownership.
- Board counsel informed the board that the posed rule change to 61G7-10.0014, F.A.C., is no longer being apposed by the Joint Administrative Procedures Committee (JAPC). The change would require employee leasing companies to submit a quarterly form (DBPR form # 4522) as proof of workers compensation. JAPC initially felt that the rule was in conflict with Section 440, Florida Statutes which covers workers compensation. After JAPC researched Section 440, Florida Statutes, they informed the board's counsel that the perceived conflict is no longer an issue. The board instructed board counsel to proceed with the rule change process.
