### III. REVIEW AND CONSIDERATION OF EMPLOYEE LEASING COMPANY AND CONTROLLING PERSON APPLICATIONS

#### A. Mirage Consulting, Inc. of TX Georgia Falzone, Controlling Person Applicant Maria Silamianos, Controlling Person Applicant

Ms. Woodard presented the company application stating that all exhibits were submitted and complete and that along with the certificate of insurance, the applicant submitted a letter from the insurance agent advising of workers' compensation coverage.

Ms. Woodard informed the board that Ms. Tasha Carter, with the Department of Financial Services (DFS), has advised that the policy submitted is a non-employee leasing policy.

Mr. Schrake and Ms. Silamianos were present and represented the applicants.

Ms. Woodard informed that board that she had been in contact with Mr. Schrake about this issue and he had informed her that he had been in contact with the carrier and agent and that they were going to correct the problem.

Ms. Lanza stated it seems to be a clerical error. She stated that the carrier needs to correct the way the policy was reported to NCCI so that Ms. Carter can confirm with Ms. Woodard that the policy does indeed cover leased employees in the State of Florida.

Ms. Dockery suggested that pending correction of the clerical error and confirmation of the policy that the license could be issued. However, should the error not be corrected within 30-days, the applicants would appear back before the board or table discussion of the application until it is corrected.

Mr. Moore asked who was covered under the SUA policy.

Ms. Silamianos stated the SUA policy would become effective once projected payrolls are reported. She stated there will be two forms of insurance in Florida. She further confirmed that PMA is already in Florida for this company and that the SUA policy is an additional policy that would automatically "kick-in" once there is payroll.

MOTION: Mr. Moore moved to table discussion of the applications until the clerical issue has been corrected and workers' compensation coverage is confirmed.

SECOND: Ms. Lanza seconded the motion and it passed with Ms. Dockery and Ms. Seltzer opposing.

Ms. Silamianos asked if the clerical error is corrected prior to the next agenda, would they have to wait until that meeting to have the applications approved.

Ms. Dockery stated yes.

Ms. Clement asked if a letter was issued from Lighthouse stating that there is coverage for the state of Florida, would that expedite the process.

Ms. Dockery stated no, it would not.

Ms. Silamianos asked if a letter was issued today and faxed to everyone, would that satisfy the board.

Mr. Moore stated confirmation of coverage is needed from DFS prior to the application being approved.
