This telephone conference was held primarily to review applications. The board rendered the following actions:

- The board reviewed and approved seven applications for change of ownership

**Legislation/Rule Promulgation**

- New language was submitted by the board's attorney and approved by the board for rules 61G7-5.005 and 61G7-10.0012. The change to 61G7-5.005, clarifies how an applicant can offset any deficiency in tangible accounting net worth regarding an initial application, accounting networth or working capital for a renewal application. The change to 61G7-10.0012, removes the requirement for Independent Certified Public Accountants (CPA) to sign audited or reviewed financial statements of which the CPA was responsible for the audit of the statement and not the statements themselves. The board also voted that the proposed language in both rules would not likely, directly or indirectly, increase regulatory costs to any entity (including government) in excess of \$200,000 in the aggregate in Florida within 1 year after implementation.
