License exemption	Does the Petitioner's employment as a state employee, practicing geological work, exempt him from licensure pursuant to Section 492.116 (3), Florida Statutes?	The Petitioner is a state employee by virtue of his employment by the University of Florida and he is therefore exempted pursuant to section 492.116 (3), Florida Statutes, from having to be licensed as a professional geologist in Florida. The Board's conclusion is based solely on the Board's application of the narrow and factual circumstances outlined in the Petition.	2015-004	Dr. Subodh Acharya	4/29/2015
