Proposed Rule Development

61J2-24.004 – Mediation

Director O’Bryant presented this rule to encourage the Commission to review the Construction Board – Rule 61G4-22.001, Florida Administrative Code, Cosmetology Rule 61G5-30.005, Florida Administrative Code and Barber Board Rule 61G3-21.011, Florida Administrative Code relating to mediation, which offers the broadest form of mediation. Director O’Bryant asked the Commission to consider expanding the current rule allowing the division to mediate cases as a

method to reduce costs to the state. Commissioner McCoig inquired whether this process would usurp the Commission's authority or obligations to carry out Chapter 475, Florida Statutes. Director O'Bryant responded that Section 455.2235, Florida Statutes gives the Commission the authority to develop rules to mediate cases and Rule 61J2-24.004, Florida Administrative Code currently outlines the circumstances under which the division can mediate. Director O'Bryant suggested the Commission review discipline Rule 61J2-24.001, Florida Administrative Code to provide guidelines for which issues the division can mediate and if the mediation is not successful it would come before the Commission. The Commission agreed to incorporate the following violations for mediation: Rule 61J2-24.001(3)a, b, q, hh and mm, Florida Administrative Code. Director O'Bryant stated the draft language will be placed on the next available agenda for the Commission's review.

61J2-24.006 - Probation

Director O'Bryant asked the Commission to review the revised language discussed at the April meeting, and if in agreement, approve moving forward with the rule making process. The Commission agreed with the recommended changes, which was to modify the language in paragraph 2 to simply state hardship and expand 90 days to 180 days.

Legislative Update

Director O'Bryant reported that on May 14, 2010, Governor Crist signed into law HB 303 incorporating the regulation of appraisal management companies which will include many changes as of July 1, 2011, such as expanding the membership of the Florida Real Estate Appraisal Board to 9 members to incorporate 2 members to represent the appraisal management industry.

Additionally, HB 713 was enrolled and Governor Crist has until June 1, 2010, to act on this bill. This legislation will alleviate the issue of a FREC member being the holder of a current instructor's license. This bill will also address references to fingerprint cards, therefore, Director O'Bryant requested the Commission address Rule 61J2-2.027(3), Florida Administrative Code to address all references to the fingerprint card which will be noticed and placed on next month's agenda.

Director O'Bryant reported that the last provision in HB 713 which affects the Commission is the issuance of a temporary license to the spouse of an active duty member of the Armed Forces of the United States if the spouse applies to the department in the format prescribed by the department. The department will discuss how to address various issues that may affect the issuance of a temporary license for all the professions.
